## About the National Guard Association of Connecticut (NGACT)

The National Guard Association of Connecticut (NGACT) was founded in 1994 as a combined officer and enlisted organization for the purpose of representing active and retired members of the Connecticut Army and Air National Guard.

The NGACT was originally organized as a non-profit organization designed to serve as the collective voice of all Guard officer and enlisted personnel.

Together, members share in the pride, patriotism, and vigilance that keep America strong, accomplishing together what no person could accomplish alone providing a united voice helping to keep the Connecticut Army and Air National Guard ready and equipped to defend our freedom.

NGACT provides a means to express the wishes of its many members. In the past it has proven its value through improved benefits, modern facilities, and better equipment.

Moreover, NGACT offers individual and family benefits otherwise not available; Group Insurance for members and families, annual NGACT Conference, quarterly newsletter; and support services including Scholarships, co-sponsor of National Guard events and support of Send Off and Welcome Home Celebrations.

NGACT was also an active supporter of the fight to save jobs at Bradley Air National Guard Base during the BRAC process.

Why NGACT? Because National Guard members want and need representation. Because we're in the business to respond to the needs of the Citizen-Soldier. Because, as volunteers, Connecticut Army and Air National Guardsmen deserve the best benefits, training, facilities, and state of the art equipment.

NGACT is a tax exempt organization under section 501(c)19 of the Internal Revenue Code. As such donors can deduct contributions to or for the use of the organization.
